Angels of Action

The mission of Angels of Action is to change lives by providing nutritious food to K-4 children identified by their school as being at risk of going hungry over weekends during the school year. We hope to help all food-insecure children within Mecosta County as resources become available.

What We Do

Working with local K-4 teachers and school administrators, children at greatest risk of going hungry over the weekend are identified. To ensure that they have something to eat over the weekend, these children are given a backpack filled with nutritious food every Friday of the school year. Each backpack holds two breakfasts and two lunches along with two snacks and two drinks. It may not sound like much, but this is likely all they will have until arriving at school Monday morning. The Backpack Blessings Program began in 2011 serving 75 children in three schools. Through the generosity of the community the number of children served doubled to over 150 by year-end. As of the end of the 2013, school year Angels is now serving over 400 children in five schools. Our goal is to help feed every hungry child in Mecosta County "one backpack at a time".
