

A child's chance at a bright tomorrow starts with having enough food today!

Angels of Action's passion comes from our love of children. **We want to see the children in our community succeed and excel.** To do this, children need food to stay focused in school, have the energy to play, and to spend time worrying on growing up instead of where his or her next meal will come from.

We can't do it without you! Help us change the lives of our future generations by sponsoring the Angel Ride-Run-Walk on Saturday, September 14, 2019.

"Without Angel food bags every weekend, my children would go without healthy snacks and meals that they provide. On one income and a family of 5 with no food assistance, most months it's bills or food."

- Britney Snyder, mother of children who receive Angel Bags
